Pathway To Health Committee Members, we are asking for your support in designating the Walnut St. area between Little League Blvd and High St. as the "J. Marlyne Whaley Way". Attached is the City Council Resolution. Marlyne was very committed to the City as the Chairwomen of City Council. As you know, Marlyne supported the Pathway to Health through City Council and even supported having her own home razed to make way for the Hospital Institutional Zone.

Unless someone emails us with objections, we will send the official support of this Committee through Mark Murawski. His request is outlined below.

Thank you - Bob

Bob,

Could you please forward this email and attached Resolution to our Pathway to Health Steering Committee and ask for their support of naming a portion of the Pathway along Walnut Street as J Marlyne Whaley Way.

I recommend our Committee support this attached resolution as proposed by the City. As you know Marlyne was a very active supporter of the Susquehanna Health Campus Expansion and the Pathway to Health project when she was on Council.

Thanks,

Mark,

The City of Williamsport is considering designating Walnut Street between Little League Blvd. and High Street to "J. Marlyne Whaley Way".
The designation will be such that it is an additional designation similar to Millionaires Row and Martin Luther King Jr Blvd where by Walnut Street will be retained.

It is being proposed to commemorate Mrs. Whaley's time on City Council with other historical significances as well as the location of her family homestead being located on Walnut Street and her time on the Susquehanna Health Committee.

I have attached the resolution honoring Mrs. Whaley.

Please forward this to the Access Committee to solicit any comments or questions from the Committee.

It is the City's intention to place this ordinance on the next City Council meeting of March 3rd.

Thanks.
