Application is New

The applicant listed above has applied to the Pennsylvania State Veterans' Commission for Real Estate Tax Exemption. The State Veterans' Commission has determined that the applicant has demonstrated the required financial need. Additionally, to assist the tax authority we have verified with the Department of Veterans Affairs that the applicant is totally and permanently disabled as a result of service connected causes incurred during a period of war or armed conflict. Therefore, it is recommended that the applicant be approved for the exemption of all real estate taxes on the above listed property.

If the application is a new claim, the qualified applicant shall be exempt from real property taxes that become due on or after February 24, 2014. You must present this letter to your local tax authority to determine the precise tax period from which you will be exempt. You should know that taxes are considered due on the first day of a tax period even though payment may not be due for several months.

The State Veterans' Commission is required to review all property tax exemption cases at least once every five years for determination of CONTINUED FINANCIAL NEED. A review form will be mailed to the applicant sometime prior to the due date for review.

For the Commission.

Sincerely,
