

CITY OF WILLIAMSPORT

BUREAU OF POLICE

Investigations Division Commander

“I, my colleagues, and many of you have been struggling to come to terms with this tragic incident.” Seventeen years ago, as a young patrol officer at my former police department, I saw a man die in a vehicle fire that resulted from a traffic accident. I was unable to do anything to save him and it haunts me to this day.

Over the last week, “I along with many of my colleagues have come to realize that it could have been any of our own loved ones involved in this tragic accident instead of Mr. Robinson”. Many of our loved ones travel that particular stretch of road. “This is a tough pill to swallow”.

“All of us are deeply troubled with the information released by the Pennsylvania State Police on Wednesday”.

I would remind everyone that this is still an ongoing investigation and is now in the hands of the District Attorney.

Once the investigation is complete and a final decision is made by Mr. Lindhardt, we will evaluate all of the facts and act accordingly. “As I have stated before, the Williamsport Bureau of Police is forever changed by this tragic accident”.

“Our hearts ache collectively for the Robinson family”.
