PRESS RELEASE

For two years, the basketball courts at Flanigan Park have been closed. After a shooting, Lycoming Housing, which owns the park, closed the basketball courts due to illegal activities.

Today, Mayor Campana has announced in cooperation with Lycoming Housing that the courts will reopen for structured organized basketball on Friday, May 16th from 5:00 PM until 7:30 PM. "These courts can be successful because of the city's recreation department's involvement, the site is now an organized environment, and the community takes ownership. Inappropriate behavior will not be tolerated. I welcome citizens to join me in enjoying the courts Friday night."
