

# CITY OF WILLIAMSPORT, PA RESOLUTION

RESOLUTION # 9586

DATE 12-8-22

TITLE

**RESOLUTION ACCEPTING A CONTRACT WITH BS&A SOFTWARE FOR ONLINE  
FINANCIAL MANAGEMENT SERVICES**

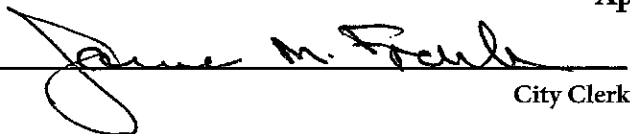

WHEREAS, the City of Williamsport's financial software was installed in the 1990s and is no longer supported by the vendor, and, therefore, the City faces the potential to lose the ability to process accounts payables and receivables and to track such for auditing and reporting purposes.

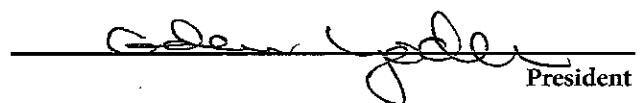

WHEREAS, BS&A Software offers an online financial management platform at a cost of \$137,045 for implementation fees and \$53,895 for annual service fees.

WHEREAS, the City has applied for funding through the PA Department of Community and Economic Development's Strategic Management Planning Program (StMP) to cover 70% of the implementation fees and first year's annual fees. Subsequent annual fees would thereafter be built into the City's budget.

**NOW THEREFORE, BE IT HEREBY RESOLVED**, the Williamsport City Council of the City of Williamsport accepts the agreement with BS&A Software, and the appropriate City officials are hereby authorized to execute the attached agreement.
