BE IT HEREBY RESOLVED, that the City Council of the City of Williamsport authorizes the purchase of two (2) 2022 Dodge Durango Police Pursuit Vehicles from Joe Ceconi's Chrysler Complex, 2380 Military Rd, Niagara Falls NY 14304 and the cost to upfit each vehicle by Keystone Communications, 463 Duke St, Northumberland PA 17857, for a total cost of **\$156,150.00**. WILLIAMSPORT BUREAU OF POLICE

Memorandum

Date: 10/28/2022

To: Mayor Derek Slaughter and Williamsport City Council Members

From: Justin D Snyder, Chief of Police Operations 

Subject: Purchase of Two Police Vehicles w/ Upfits 2022

Attached for your review and approval is a resolution authorizing the purchase of two (2) 2022 Dodge Durango PPV vehicles from Joe Ceconi's Chrysler Complex, 2380 Military Rd, Niagara Falls NY 14304 and the cost to upfit each vehicle by Keystone Communications, 463 Duke St, Northumberland PA 17857, for a total cost of \$156,150.00. This amount is to be allocated from the American Rescue Plan Act funds.

Cost Breakdown:

- Two 2022 Durango Police Vehicles: \$41,175.00 each x 2 = \$82,350.00
 - Two Durango Vehicle Upfits: \$36,900.00 each x 2 = \$73,800.00
- Total = **\$156,150.00**

The approval to purchase these vehicles would be as the result of an Emergency Proclamation, therefore, foregoing the bidding process.

A nation-wide search for Dodge Durango PPV vehicles has been conducted by this administration. As a result of this search, only two vehicles were located and are currently available at Joe Ceconi's Chrysler Complex in Niagara Falls, NY.

In addition to the purchase of these two police vehicles, it is the intent of this administration to purchase an additional two vehicles at a later time, once they become available.

This request to purchase these police vehicles comes as a result of a dilapidated vehicle fleet that this administration is currently in the midst of rebuilding.

We are requesting that this action be taken on this resolution on Thursday, November 3rd 2022.

CITY OF WILLIAMSPORT

OFFICE OF THE MAYOR
DEREK J. SLAUGHTER

10.28.2022
For Immediate Release
Williamsport, PA

Proclamation by the Mayor of the City of Williamsport

The Williamsport Bureau of Police has an immediate need to replace two Police vehicles that have reached (or surpassed) end of life. Our police administration has performed nationwide searches for suitable police vehicles that are eligible for purchase through joint purchasing contracting methods or competitive bidding. None are available due to global supply chain constraints. Wait times for vehicles ordered through normal processes are six months to a year.

Two vehicles within our fleet of police vehicles are no longer suitable for service and need to be retired immediately. Losing those two police vehicles is a threat to public safety.

I am hereby exercising my powers under Section 11203 of the Third-Class City Code to declare that a state of emergency exists within the City relative to the Bureau's fleet of vehicles. I am therefore temporarily SUSPENDING the advertising and bidding requirements for the purchase and upfitting of two police SUVs by the Bureau, to replace the two vehicles being retired from service. This power is exercised per Section 11901.4(b)(8) of the Third-Class City Code.

Accordingly, the Bureau of Police is authorized to purchase and upfit two police SUVs by any legal means, on the best terms they can obtain, utilizing funds allocated within the 2022 budget. These purchases will be presented to City Council for consideration during at the earliest date possible.
