MEMORANDUM

TO: Members, City Council
FROM: Molly Steele-Schrimp, Director of Human Resources
DATE: September 22, 2022
SUBJECT: 2023 Minimum Municipal Obligation

Attached you'll find the 2023 Minimum Municipal Obligation (MMO) financial requirements for the Fire, Police, and Officers' and Employees' Pension Plans. These reports were completed by Mockenhaupt Benefit Services, the actuary and consulting company for the pension plans, using the actuarial results from the January 1, 2021, valuation and the data that the City provided regarding employee compensation. These MMOs must be submitted to the governing body by September 30, 2022, although revisions may be made up to the time the budget is finalized. The respective obligations for each plan will be built into the 2023 budget.

I have provided data from previous years in the table below as a comparison.

	2020	2021	2022	2023
Fire Pension Fund	\$1,320,895	\$1,882,756	\$1,180,775	\$1,628,353
Police Pension Fund	1,830,744	1,841,909	1,844,797	1,883,950
Officers' & Employees' Pension Fund	1,217,135	1,400,006	1,112,969	869,078
Total Obligation	\$4,368,744	\$5,126,692	\$4,140,563	\$4,381,381

The total funds used to satisfy the MMO include state aid. The amount of state aid for 2023 is not yet available as of the date of this memorandum; however, in order to provide an idea of the amount of state aid that has been received in recent years, in 2021 the City received state aid in the amount of \$1,256,888.04, and in 2022 the City received \$1,305,473.86.
