RE: Bottleless Water Cooler

**Equipment/Services:**

Qty	Part No	Description	Total Price
1		Leased bottleless cooler	\$37.00 per month
1		One-time installation and set-up fee	\$75.00
		PA Sales Tax	exempt
<b>Total initial cost</b>			<b>\$112.00</b>

The Culligan cooler offers hot and cold water just like a water cooler. The water is filtered through a water filter located within the cooler system that will be changed yearly and is included in your rental price.

The water cooler is available in a countertop model and a floor model both systems use the same water filter system and have the same monthly rental cost. I have attached some literature for each cooler with dimensions so that you can better assess which system would work better with your limited space.

**Terms and Conditions:**

All prices in US Dollars. Lease payments will be billed monthly or can be set up on an automatic monthly payment system.

The Culligan cooler is a 24-month lease agreement. The lease price includes any repairs and filters needed.
