To whomever it may concern,

The purpose of this document is to outline the procurement, use, instructions, and dissolution clauses pertaining to the purchasing and installation of one monument dedicated to Andrew Boyd Cummings.

Fund Purpose
This fund, managed by Wildwood Cemetery, has been established to raise money for the creation and installation of a headstone for Andrew Boyd Cummings. Andrew Boyd Cummings is an important historical figure in the local community, and this project aims to honor his memory with a permanent grave marker that reflects his contributions.

Any donation made to the cemetery needs a memo of "Cummings" will be allocated to the fund; still, so long as the memo clearly indicates some association with the Cummings fund (e.g A. B. Cummings, ABC Fund, Cummings Fund, etc.) the donation will be allocated appropriately.

Use of Funds
All donations to this fund will be allocated towards:

- The design, creation, and installation of a suitable headstone.
- Any additional costs related to the placement, such as site preparation or installation fees.
- Upkeep and maintenance directly associated with the headstone, if necessary.

Refund Policy
In the event that the total amount needed is not reached and the project is abandoned, or if the project is canceled for any reason, all donations will be fully refunded to the contributors.

Contact Information
For more details about this project or to inquire about your donation, please contact Wildwood Cemetery to speak with Caleb Hipple at 570-323-8421 ext. 102.

Caleb Hipple
