Re: Unnamed Alley 112

Dear Jake and Jen Shoup,

In regards to the referenced roadway, we had previously made you aware that the City of Williamsport is planning on naming the currently unnamed alley, located by your residence at 351 Rear Lyons Avenue, to be called "Lyons Place".

We have since been notified by the Lycoming County GIS/Addressing Coordinator Tyler Landis that in accordance to a Lycoming County Ordinance and National Emergency Number Association (NENA) Standards, we should not rename this alley "Lyons Place' as it may cause confusion to emergency response and/or delivery service since there are already two similar named streets in the vicinity called Lyons Avenue and Lyons Alley.

Considering this new information and that you have mentioned a preferred name, we now feel that "Buck Run Alley" would be an appropriate name.

The city council will hear a first and second reading of an ordinance to name this unnamed alley and take this under consideration for passage at the next two upcoming city council meetings to be held on October 2 and October 16 at 7pm in the Trade & Transit II Building, 3rd floor conference room.

We are coordinating this effort with the City Department of Public Works Director, Scott Livermore, and the Lycoming County GIS/Addressing Coordinator, Tyler Landis, whom we were made aware you had contacted for this request.

If you have any questions, feel free to contact me at bscott@cityofwilliampsort.org or 570-220-1872.

Sincerely,

Bill Scott, P.E.
City Engineer
