CITY OF WILLIAMSPORT, PA
RESOLUTION

RESOLUTION # 10021 **DATE** 3-5-26

TITLE

RESOLUTION TO ADOPT AND SUBMIT AN ACT 537 COMPONENT 3 PLANNING MODULE (BLOOMINGROVE ROAD INTERCEPTOR RELOCATION PROJECT)

WHEREAS, Section 5 of the Act of January 24, 1966, P.L. 1535, No. 537, known as the "Pennsylvania Sewage Facilities Act," as amended, and the Rules and Regulations of the Department of Environmental Protection (Department) adopted thereunder, Chapter 71 of Title 25 of the Pennsylvania Code, require a municipality to adopt and maintain an Official Sewage Facilities Plan providing for sewage services adequate to prevent contamination of waters and/or environmental health hazards from sewage wastes, and to revise said plan whenever it is necessary to meet the sewage disposal needs of the municipality; and

WHEREAS, the City of Williamsport service area affected by this action is served by the Williamsport Sanitary Authority (WSA) public sanitary sewer collection and conveyance system, with wastewater treated at an existing permitted municipal wastewater treatment facility; and

WHEREAS, the City of Williamsport, in coordination with Loyalsock Township and the Williamsport Sanitary Authority, has prepared a Sewage Facilities Planning Module (Component 3 Sewage Collection and Treatment Facilities) for the Bloomingrove Road Interceptor Relocation Project ("Project"); and

WHEREAS, the Project consists of the relocation and replacement of an existing sanitary sewer interceptor to a new alignment generally along Bloomingrove Road and related public sewer collection improvements, including the connection of existing properties currently served by gravity sewer systems where applicable, including the use of grinder pumps/low-pressure collection where required due to site elevation constraints; and

WHEREAS, the Project is corrective in nature and is intended to improve system reliability and reduce infiltration and inflow, and is not proposed for the purpose of facilitating new development or changing planned land use patterns; and

CITY OF WILLIAMSPORT, PA
RESOLUTION

RESOLUTION # 10021 **DATE** 3-5-26

TITLE

WHEREAS, the City of Williamsport finds that the Planning Module described above is consistent with the municipality's Official Sewage Facilities Plan, and conforms to applicable zoning, subdivision, other municipal ordinances and plans, and to a comprehensive program of pollution control and water quality management; and

WHEREAS, the Planning Module includes supporting documentation required by the Department, including an alternatives analysis and other applicable planning information, and will be implemented in coordination with the Williamsport Sanitary Authority and Loyalsock Township;

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of Williamsport, Lycoming County, Pennsylvania hereby adopts and submits to the Pennsylvania Department of Environmental Protection for its approval, as an update to the "Official Plan" of the municipality, the above-referenced Sewage Facilities Planning Module (Component 3 – Sewage Collection and Treatment Facilities) for the Bloomingrove Road Interceptor Relocation Project. The municipality hereby assures the Department of its commitment to complete the timely implementation of the said plan as required by law.

RESOLVED AND ADOPTED this 5th day of March, 2026.
